

Try the following;

User name = DODID number on back of your CAC card

Password = Welcome1! (unless you've changed them)

In reference to restoring Relias access...

For login on new site:

Login is done by accessing: <https://dha.XXXXXX.training.reliashealth.com>

The XXXXX must be modified to the 5 digit code of the users facility. (MEDCoE = 20392)  
(FORSCOM = 20400)

That list can be found here: <https://ckapfwstor001.blob.core.usgovcloudapi.net/pfw-images/dbimages/reliasURLs.pdf>

For password and login problems, call: 888-263-3356

Should a 68W need to acquire additional CEUs, the soldier may log into Relias in order to take additional courses.

Note: This method is time consuming should not be utilized as the preferred method of obtaining CEUs for recertification.

The course is added to your **Learning** tab. You may choose to **Withdraw** and select another course or **Take Now**.

The screenshot shows a web interface with a top navigation bar containing 'Learning' and 'Transcript' tabs. Below this is a sub-navigation bar with 'Current Training' and 'Pro-on-the-Go' buttons. A green button labeled '+ Browse Elective Courses' is visible. Under the 'Electives' section, a course titled '24-7 EMS Online: 12-Lead Electrocardiogram (ECG) (v2)' is listed with a duration of '1 hour'. To the left of the course title is a 'Withdraw' link, and to the right is a green 'Take Now' button. Red arrows point to the 'Learning' tab, the 'Withdraw' link, and the 'Take Now' button.

Specific courses go towards a 68W's recertification. Ensure you adhere to the prescribed courses set forth here.

Note: You will see the course number and what category each course will fulfill.

After the completion of courses, MODS will automatically update. There is no need to send transcripts to the MODS writer.
