Your Dashboard will now show your enrolled classes and you can launch them from here by clicking the "Take Now" button. Be aware, you MUST have your pop-up blocker disabled on your browsers otherwise the course ware will not display. Most DoD workstations will not allow you to disable the pop-up blocker, and if you are wanting to go back to the search press the "+" Icon and it will take you back to the search screen, you will have to click "+ Filters" button again and check mark "MODS Approved Courses for 68W" as shown previously
