The screenshot shows the NREMT website's landing page. At the top is a dark blue header with the NREMT logo on the left, the text "National Registry of Emergency Medical Technicians® THE NATION'S EMS CERTIFICATION" in the center, and navigation links "VERIFY CREDENTIALS", "SEARCH", and a red "LOG IN/CREATE ACCOUNT" button on the right. Below the header is a large banner featuring a close-up of an EMT's uniform with a "NATIONALLY REGISTERED MEDICAL RESPONDER" patch. On the right side of the banner is a blue box with the text "RENEW YOUR NATIONAL EMS CERTIFICATION" and a subtext "Your National EMS Certification is too valuable to let expire." Below this is a button that says "RENEW MY NATIONAL EMS CERTIFICATION". A carousel indicator with five dots is positioned below the banner. The main content area is divided into two columns. The left column is titled "NATIONAL EMS CERTIFICATION" and lists "EMR" and "AEMT" with links for "Certification" and "Recertification", each accompanied by a circular logo. The right column is titled "EXAMS INFO" and lists "ALS PSYCHOMOTOR EXAM" and "COGNITIVE EXAM" with corresponding icons. A red square button with a white question mark is located at the bottom right of the page.

Click on “My Certification” in the dropdown

Scroll down and you should first verify that you have “MODS Application Status” green check mark

Having this checkmark ensures that you are ready to recertify for NREMT in this recertification cycle. If it is a red “X,” then there is an issue with either the training you have received or you have not met all the training requirements at this time for NREMT Recertification. If you get this X, then please reach out to your trainer or the schoolhouse you completed training with.

For example, any medics who completed Comprehensive Medical Training (CMT) in the last 2 years, to ensure they have the appropriate training credit for sustainment. There are other methods for sustainment that are not mentioned here.
