Click on Log In button and enter credentials

The screenshot shows the top navigation bar of the National Registry of Emergency Medical Technicians website. The navigation bar is dark blue and contains the following elements from left to right: the organization's logo and name, the text "VERIFY CREDENTIALS", a "SEARCH" button, and a red "LOG IN/CREATE ACCOUNT" button with a dropdown arrow. A red arrow points from the text above to the "LOG IN/CREATE ACCOUNT" button. Below the navigation bar is a large banner image of an EMT's uniform with a "NATIONALLY REGISTERED" patch. To the right of the image is a blue box with the text "RENEW YOUR NATIONAL EMS CERTIFICATION" and a "RENEW MY NATIONAL EMS CERTIFICATION" button. Below the banner is a carousel of five dots, with the third dot highlighted. The main content area is divided into two columns. The left column is titled "NATIONAL EMS CERTIFICATION" and lists "EMR Certification Recertification", "AEMT", "EMT Certification Recertification", and "PARAMEDIC". The right column is titled "EXAMS INFO" and lists "ALS PSYCHOMOTOR EXAM" and "COGNITIVE EXAM". A red button with a white question mark is located at the bottom right of the "EXAMS INFO" section.

Once you login, scroll down from this page

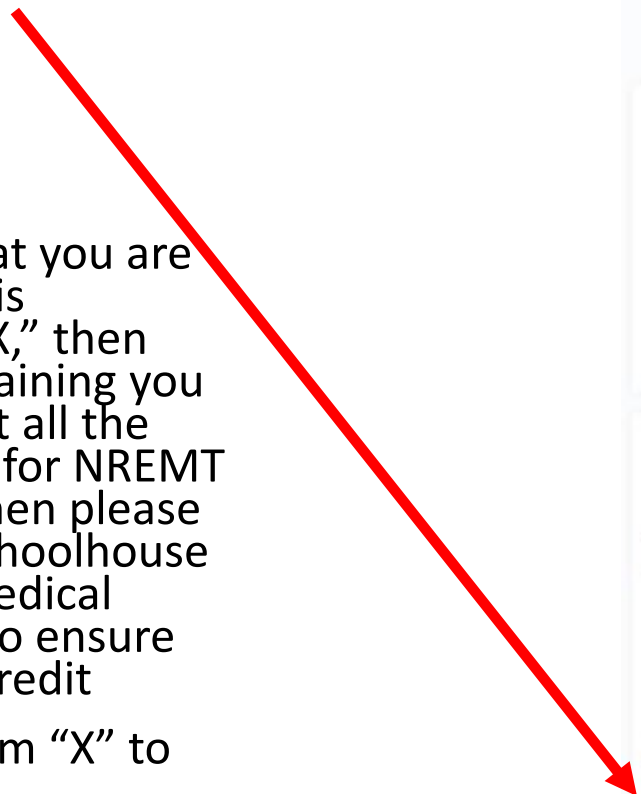

The screenshot shows the user interface of the National Registry of Emergency Medical Technicians (NREMT) Certification Dashboard. At the top, there is a dark blue header with the NREMT logo on the left, the text "National Registry of Emergency Medical Technicians" and "THE NATION'S EMS CERTIFICATION" in the center, and "HOME SEARCH" with a search input field on the right.

On the left side, there is a user profile section with a name field, "EMT", "EMS ID:", "Registry:", "Status:", and "Exp Date: March 31, 2024". Below this is a "MY ROLES" section with a gear icon and a list of roles: "Candidate", "My Certification" (expanded), "Dashboard" (selected), "Transcript", "Add A Course", "Manage My Education", "Recert Application", "Recert By Exam", "View Account Records", "MODs Class List", and "State Affiliation".

The main content area is titled "Certification Dashboard". It features a "HOW TO RECERTIFY" section with the instruction "CLICK ON THE STEPS TO FOLLOW". This section contains three steps: "STEP 1: Add courses to your Transcript", "STEP 2: Assign topics to your courses in Manage Education", and "STEP 3: Submit your Application in Recert Application.".

Below this is a "Welcome to your new Certification Dashboard!" message. At the bottom, there is a form with fields for "EMS ID", "Registry Number", "Level" (set to "EMT"), "Address", "Phone", and "Email". A circular logo for "NATIONALLY CERTIFIED EMERGENCY MEDICAL TECHNICIAN" is visible in the bottom right corner.

Scroll down and you should first verify that you have “MODS Application Status” a green check mark

Having this checkmark ensures that you are ready to recertify for NREMT in this recertification cycle. If it is a red “X,” then there is an issue with either the training you have received or you have not met all the training requirements at this time for NREMT Recertification. If you get this X, then please reach out to your trainer or the schoolhouse you completed Comprehensive Medical Training (CMT) in the last 2 years to ensure they have inputted your training credit

This may take a refresh to load from “X” to “checkmark”

If you don't see this at all go to the [next slide \(slide 6\)](#)
